Extension of approval to RUSTAMJI INSTITUTE OF TECHNOLOGY (RIT) BSF ACADEMY, TEKANPUR, DIST. GWALIOR, MADHYA PRADESH. for the year 2005-06-

As you are aware, All India Council for Technical Education has been mandated under the Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that quality is not compromised and stakeholders are satisfied. The Council also undertakes Annual Inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be complacent about taking steps to rectify the deficiencies.

In case of Government/Government aided institutions/Universities departments, the Council has been specially supportive and sympathetic on account of the fact that Government institutions provide technical education at a reasonable cost besides transparent admissions. It is a matter of regret that many such institutions suffer from critical deficiencies of faculty and infrastructure requirements. Feedback of students with regard to quality of education imparted by some institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortages in key areas evoking serious concern.

Your institution, on appraisal, has been found to be suffering from several deficiencies which are listed in Annexure-A for your perusal. Non-availability of faculty is the most serious one.

The deficiencies, particularly with reference to faculty, are of grave concern to the Council. In spite of this, it has been decided that approval in respect of your institution for the year 2005-06 as indicated below, be given with the hope that you shall take urgent steps to rectify deficiencies, particularly shortage of faculty. The Council shall monitor progress in this regard carefully and shall be constrained to put your institution in no admission/reduced intake category for the year 2006-07 in case of non-compliance. The approved course(s) along with recommended intake for the year 2005-06 in respect of RUSTAMJI INSTITUTE OF TECHNOLOGY (RIT) BSF ACADEMY, TEKANPUR, DIST. GWALIOR, MADHYA PRADESH. is as under:-

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
AUTOMOBILES ENGINEERING	60	60
ELECTRONICS ENGINEERING	60	60
INFORMATION TECHNOLOGY	60	60
TOTAL	180.	180.

Note: Additional intake/new courses/ PIO quota not granted on account of deficiencies in respect of existing courses/Intake.

The Council has decided to undertake inspection at any time after August end, 2005. Compliance report in respect of rectification of deficiencies listed in Annexure-A must be sent to the Council with a copy to concerned Regional Office by 31st August, 2005. In the absence, extension of approval for year 2006-07 may not be considered.
